10 Copy-Paste Prompts to Start Using AI in Your Business Today

ihelpbuild.com

Build a Smarter Business

THE FORMULA: ROLE + TASK + CONTEXT + FORMAT = Pro-Level Output Every Time

01 MARKETING

All models

Write a Marketing Email

You are a direct-response copywriter. Write a 150-word email promoting our [offer] to [audience]. Tone: [friendly/urgent/professional]. Include a clear CTA to [action]. Subject line included.

02 MARKETING

ChatGPT / Claude

Create Social Media Posts

You are a social media manager for a [type] business. Create 5 [platform] posts for this week. Each: hook first line, 2-3 sentences body, 3 hashtags, CTA. Mix promotional and engagement.

03 SALES

Claude / ChatGPT

Write a Cold Outreach Email

You are a sales rep for [type of company]. Write a cold email to [target role] at [type of company]. Lead with a pain point about [problem]. Include one specific result: [stat/case study]. CTA: question, not pitch. Under 120 words.

04 SALES

Claude

Handle Common Objections

You are a sales coach. List the 5 most common objections for selling [product/service] at [price point]. For each: the objection, why the prospect says it, and a 2-sentence response that reframes without being pushy.

05 OPERATIONS

Claude

Create a Standard Operating Procedure

You are an operations manager. Create an SOP for [process]. Include: purpose, scope, responsible parties, step-by-step procedure (numbered), required tools/docs at each step, timeline, escalation for exceptions. Format with headers.

06 OPERATIONS

All models

Build a Presentation from Scratch

You are a presentation strategist. I need a [X]-slide deck on [topic] for [audience]. For each slide: title, 3-4 bullet points (under 10 words each), speaker notes (2-3 sentences), and a visual suggestion. Include hook slide, problem/solution structure, and closing CTA.

07 CUSTOMER SERVICE

Claude / ChatGPT

Respond to an Upset Customer

You are a customer success specialist. A customer emailed about [issue]. Write a response that: acknowledges frustration without being patronizing, offers [resolution], includes a goodwill gesture [e.g., discount code], and keeps it under 100 words. Warm but efficient.

08 CUSTOMER SERVICE

Claude

Write an FAQ Section

You are a UX writer. Create a 10-question FAQ for [product/service/website]. For each: write the question as a customer would phrase it, and answer in 2-3 sentences max. Conversational tone. Anticipate objections and address them.

09 FINANCE & STRATEGY

Claude

Identify Growth Opportunities

You are a growth strategist. My business: [describe]. Revenue: \$[X]/month for [duration]. What I've tried: [list]. Give me 5 specific growth levers haven't tried, ranked by potential impact. For each: the tactic, estimated cost, timeline to results, and expected ROI range.

10 FINANCE & STRATEGY

Claude / ChatGPT

Build a Quarterly Review

You are a business coach. Help me structure a Q[X] review. I'll provide: revenue, top clients, wins, challenges, team feedback. Create: financial summary (vs last quarter), top 3 wins with WHY analysis, top 3 challenges with solutions, team health check, and top 3 priorities for next quarter.
